One month all he wanted was a potbelly pig, the following month it was a miniature pony, and a flock of chickens, the next. You name the animal, and Wesley wanted it. Although he has always had a passion for working with animals, Wesley also pursued his unique unicycle skills when he was young. Yet he always kept

Just two years into fulfilling his lifelong goal of forming an animal act, Wesley has burst onto the scene with his "Puppy Pals," an all-new comedic stunt dog show! COMEDY NIGHT

He's a "humor opportunist" who is always looking for the comical side of life and how people live it.

Even growing up in rural Indiana, Clint Hall always knew he wanted to entertain people. The first step on this journey was through professional wrestling. Even then, his decidedly unfit Mr. Fitness character was played more for laughs than for menace. After being inspired by the documentary "I Am Comic," Clint found his true calling in stand-up comedy.
